

Prayer and Praise – February 07, 2024

The LORD is my rock, and my fortress, and my deliverer; my God, my strength, in whom I will trust; my buckler, and the horn of my salvation, and my high tower.

Psalm 18:2 (KJV)

Chile: Field Director Jose Luis Pizarro shared that there has been a wave of fires in many areas of

the country. There has been a loss of over a hundred lives. The search for missing people continues and survivors search through the charred remains of their lives as they have completely lost their homes leaving them with nothing. Sadly, there are also a couple of our Open Bible pastors that have lost everything. Open Bible in Chile is not only trying raise funds to help the

pastor rebuild his home but trying to help those in the community that also lost everything. Please pray that this fires will stop and God will supply the basic needs for all those affected. Your prayers are the biggest support at this time.

If you would like to donate to help with the relief efforts, please [click here](#).

El Salvador: Field Director Angel Diaz asks us to pray for his eight-year-old son, Luis Diaz. As we mentioned before on our January 10 prayer and praise, Luis was taken to see a specialist about his feet as there is a problem on one of them growing as it should. They now have a surgery date scheduled for February 12. Please pray that God will guide and use the surgeons performing the surgery so that his feet will develop and grow as they should after this procedure.

Mexico: An update on Abraham, son-in-law of our Field Director Arturo Mendez, who still remains in coma in the hospital. After Christmas, Abraham and his wife Kendy were driving home and had a horrible car accident. The doctors are doing everything they can to get him breathing on his own and send him home as the hospital can't do anything else for him. We know that what is impossible for doctors and science, with God everything is possible. Please continue to pray for a miracle in Abraham's health according to God's will.

MOVE: Please pray for the MOVE team as they travel back from Thailand to the US today after many days of hard work for the glory of God. We praise God for what He has done in Thailand through these great men who left their family, work, and everything else here in the US to go build a church in Thailand where missionaries Mike and Dara Rasavanh minister. Pray for safe and good travel connections and that their hard work and testimony in Thailand will bring many more lives to Christ.

1 Timothy 3:15 (NKJV)

“But if I am delayed, I write so that you may know how you ought to conduct yourself in the house of God, which is the church of the living God, the pillar and ground of the truth.”

Global Harvest offering for 2023-24, is to help Acropolis Medical Centre in Trinidad. Please partner with us to help purchase special medical equipment. This will help save lives physically and spiritually. To find out more and learn how you can participate in this special offering, go to: www.openbible.org/LetYourLightShine.

Please share with your congregation or with other interested individuals. Thank you for praying and caring.
