

## Prayer and Praise – February 28, 2024

*"Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon." Isaiah 58:10 (NLT)*

**Guinea:** Missionaries Tom and Sherry Moore express: "Please pray for Guinea! A couple of years ago there was a military coup to overthrow the president who had changed the constitution so he could have a third term as president. The president was not assassinated, during the coup, he was simply removed and kept in custody for a time. He has since been released.

"The military leader, who took over the government, promised to install a civilian president by the end of 2024. Last week, due to corruption, the president dismissed all government ministers, starting with the prime minister. He will replace them all. Our people in Guinea have told us that the country has remained basically calm. Please pray that calm continues and that there is no more political unrest. Please pray for wisdom for the current military president. The president has helped the country's infrastructure a lot! He seems to have a good heart and wants to help Guinea resist corruption.

"Please continue to pray for our church leaders. They need God's protection and wisdom as they face several difficult church issues."

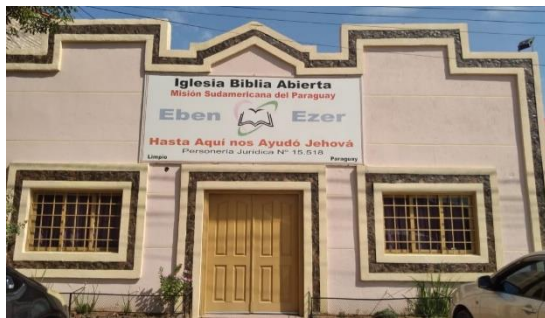

**Tijuana Mexico:** Missionaries Justus and Michaela Morgan praise the Lord for an incredible week as they welcomed their first team. Justus and Michaela enjoyed leading the team while the Hunsaker missionaries were out of town. Waverly Life Church of Waverly, Iowa, and the Puente de Amistad (*Bridge of Friendship*) team had the opportunity to minister at a women's rehabilitation center, a nursing home, Parousia Open Bible Church, a local orphanage, and fed the homeless in the center of the city on two different occasions. They were serving with a joyful heart filled with the love of Jesus Christ and saw the Lord touch so many hearts in every place they went. Pray that the Lord will help bring about eternal fruit for the Kingdom of God from the seeds that were planted.

**India:** Missionary Linda Wilson praises God because the Open Bible feeding ministry is able to feed the hundreds of people who live under a big bridge near the Open Bible headquarters. This is just one of many ministries taking place in India.

Linda states, “Thank you to everyone who continues to support the ministry in India. We are blessed by your continued generosity towards our brothers and sisters in India. Please pray for our pastors and leaders in India who continue to deal with hardship and prosecution.”

**Paraguay:** On Sunday, February 25, Field Director Nestor Julian Paredes visited the Ebenezer Open Bible Church in the central area of the city in Limpio, Paraguay, and had a wonderful service there. Please pray for the growth of our Open Bible work in Paraguay. We praise God for Pastor Nestor and pray that God will use him and anoint his ministry as he visits our churches.
