

## Prayer and Praise – April 10, 2024

*"But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble." James 4:6 (KJV)*

**Kenya:** Sister Alice Okumu, wife of Rev. Patrick Okumu has been admitted to the hospital. Unfortunately the doctors and medical staff in Kenya are on strike. Please pray the Lord will allow Alice to obtain the proper care that she needs.

**Ukraine:** Missionary Tammy Swailes asks to pray for Ukraine. Ukraine does not have enough artillery for men to fight on the front lines. Pray that the necessary support reaches their soldiers, but mainly that God continues to protect all of Ukraine and its soldiers.

**Thailand:** Global Missions Director Vince McCarty will travel to Thailand on Monday for strategic planning meetings with missionaries Mike and Dara Rasavanh. Please pray for safe travels and for God's guidance in the meetings that will take place during his stay there. Please also pray for missionaries Mike and Dara Rasavanh as they work to build the work of the Open Bible there and expand the Kingdom of God.

**Nigeria:** Our Field Director, Rev. Okon Obot had a severe ulcer which had seriously affected his body. On March 14<sup>th</sup> he was rushed to the hospital after collapsing on the floor. At the hospital he was vomiting blood and they immediately started giving him treatment. We praise God that Pastor Okon is recuperating well at home now. Please pray for complete restoration of his health.

**India:** Field Director Michael George shares: "Here in India, the main focus of the base station located at Satyavaram is on imparting leadership training to the leaders in these different regions where we served for the last three decades. It is to develop it into a model mission station and we are focusing on the quality of leadership. The leadership ought to have a strong Christ-like character in the areas of Integrity in stewardship, Holy living, separation from the sinful world, responsible in handling finances, operation of spiritual gifts, and Holy Spirit filled fruitful life."

Please pray for God's guidance and for their different areas of work and ministry: Satyavaram Mission Base development; caring for the needs of 130 senior citizens; for transportation in the rough terrain; and the leadership training seminars.

**Nicaragua:** Missionaries Nelson and Tirsia Gaitan share: "On Friday, March 29, we had a general retreat for the entire Church. It was held in a rural area where we have a field. Thank God the day was very beautiful and many church members from the congregation were present. The glory of God was manifested and the entire Church left very joyful. We had three services about God's call in our lives."

*"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."*

*2 Chronicles 7:14 (KJV)*

*Global Harvest offering for 2024, is to help Acropolis Medical Centre in Trinidad. Please partner with us to help purchase special medical equipment. This will help save lives physically and spiritually. To find out more and learn how you can participate in this special offering, go to: [www.openbible.org/LetYourLightShine](http://www.openbible.org/LetYourLightShine).*
