

Greetings from the Hunsaker Family

We have had a wonderful 2022 season here at Puente de Amistad! Year to date, we have hosted seventeen teams, built seven houses, one kitchen addition, and a 16 x 16 medical office on site of the "Con Ganas de Seguir" (*Eager to Continue*) feeding kitchen, directed by Pastor Abelino. Eight of our teams focused on ministry this year. They shared a recurring passion and desire to minister at the Women's Rehabilitation Center. I don't think we are exaggerating to say that this summer the inmates at the Women's Rehabilitation Center experienced revival! In a six-week period there were so many who dedicated their lives to Christ and were baptized by the visiting teams. I believe it may have been one of the most successful outreaches of the season. We have ministered in many different places and rehabilitation centers over the years, but the women's hearts were just ready for the Gospel of Jesus Christ this year!

A five-men team from Clear Lake Open Bible came and built a 16'x16' medical office on the property of the "Con Ganas de Seguir" feeding kitchen.

We started our season with Psalm 127:1: **"Unless the Lord builds the house, its builders labor in vain."** It has been neat to see the Lord direct our steps and the teams this year. God is using us not just in building houses, but also in ministry at the women's rehab, at the feeding kitchen, and in other various ministries.

We want to send a shout-out to Crystal Fellows from Ottumwa, Iowa, Kenneth Finley from Lindsay, Oklahoma, and Justus and Michaela Morgan from Spokane, Washington, for volunteering all summer and helping us lead teams. It was wonderful to have such high-quality volunteers on hand and we are definitely feeling blessed! A team from the School of Global Leadership (SGL) with Mike and Pam Lumbard also visited Puente for a month. You will need to check out the Lumbards' newsletter for more details on their adventures in missions!

Please pray for our family this fall as we have closed Puente de Amistad (Friendship Bridge) for a short time so that we can travel and spend time with our families. We are also visiting a few of our supporting churches in northern Iowa. If you are a part of Central Region, we hope to run into you!

If you have not yet partnered with us financially, please consider supporting us (Travis and Heather Hunsaker) monthly. Without monthly financial support for our family, we could not be impacting Tijuana, Mexico, for the Kingdom! Thank you again to all of those who have faithfully supported us through the years. You are a partner in making all this wonderful news happen for the year!

Thank you and God bless!
