Nothing Can Stop the Will of God

By Heather Hunsaker, Missionary to Mexico and a director at Puente de Amistad ministry base

God is our provider. He supplies our every need and reigns over everything. It will be as He commands it to be.

Pastor Abelino and his wife, Mireya, have faithfully run a feeding kitchen out of their church for several years. They share the Gospel to those who come to the feeding kitchen. These people live in their community and are spiritually lost and hurting.

Abelino and Mireya have dreamt of purchasing a property across the street from their church where they could build an adequate feeding kitchen to meet the community's needs. Their church began to sell tamales and other food to raise money for this property. They were so excited with how well this fundraiser was doing. They decided to make an offer on the property, and it was accepted! Shortly after their offer was accepted COVID-19 hit and their sales plummeted. They lost the property because of not being able to raise the funds needed.

Abelino and Mireya were crushed, but this did not take God by surprise! He already had a better plan in motion for them. The community leaders believe in what Abelino and Mireya and their church members are doing in the community. These leaders gifted Abelino and Mireya a piece of land that is four times the size of the property they previously tried to purchase for free. El Roi (the God who sees), saw Pastor Abelino's faithfulness and provided a larger piece of property than they could have ever imagined having for the feeding kitchen.

Due to COVID-19 we had to postpone the construction of the feeding kitchen in 2020. Last fall my husband, Travis, and I spoke with MOVE Ministries Director, Aaron Keller, about bringing a team to Tijuana, Mexico, to complete phase one of the build (the first floor of the feeding kitchen). On May 1st a team of 27 men arrived in Mexico and completed phase one.

The coronavirus pandemic has caused more than **3,426,517** deaths in over 219 countries. Even now, many churches are not able to meet in person because of COVID restrictions in their country. The funds received will help hundreds of pastors and their families survive by providing them with food and basic necessities. For more information go to www.bit.ly/MVPpandemicaid.

The MOVE team completed the entire first floor! Abelino, Mireya, and their church body are so thankful to God for bringing these men to Mexico. They blessed them and the community.

Travis and I will host a team in July who will complete phase two of the build (the second floor and the roof). We are anxiously waiting for God to reveal the rest of His plan for this project. If you or your church would like to partner with Puente de Amistad to help complete the feeding kitchen, we have two great options available for you:

1 - Bring A Team

There are many projects that will need completed in 2022 for the feeding kitchen.
