

# Greetings from the Hunsaker Family!

It's been a "hot minute" since we have put out a newsletter. Last fall, we were blessed to be able to travel and share with some of our supporting churches in Central Region. It was also a blessing to spend some extended time with other family and friends. We enjoyed being in the Midwest during the Fall, a season that we have missed the most over the last seven years of living in Tijuana! We enjoyed connecting with the churches and thanking them for financially supporting our family and ministry at Puente de Amistad.

So far, in 2023 we have led three ministry teams and built one house for a beautiful and humble family who has been faithfully serving the Lord. It is always a joy to partner with a family in need to put them in a more permanent housing solution, a home they can take joy in for years to come!

**Spirit Midwest Ministries, led by George and Terri Storm**

Spirit Midwest does an amazing job ministering to the people of Tijuana. Prayer is the makeup of their team. They spend hours upon hours of time in prayer before they step foot on the field, for the ministries that they will be visiting.

### **42 North Ministries, led by Jess and Jean Lindsay**

The 42 North Ministries team was born out of Spirit Midwest Ministries a few years ago. They have a heart to bless Mexico with the talents and abilities that God has given each one of them. They do some hands-on projects as well as ministering at locally run, Christ-centered ministries.

### **Creekside Christian School, led by Pastor Christi Henderickson**

Creekside Christian School is from Open Bible Church of Rapid City, SD. They have brought their graduating 8th grade class here on a mission trip for each of the past three years. They have a cool requirement that a guardian must accompany a youth on the mission trip, as this is seen as a time for both to grow spiritually and cross-culturally together.

## **Justus and Michaela Morgan**

For those who have not heard, we are excited to announce that Justus and Michaela Morgan, from Turning Point Church in Spokane, Washington, are newly appointed missionaries to Friendship Bridge. Justus and Michaela spent the summer of 2022 volunteering at Puente de Amistad.

They were appointed as Open Bible Missionaries in October 2022 and arrived in Mexico March 2, 2023. Please pray that they will find an affordable and secure house to rent near the base.

**Pray with and for us as we train the Morgans and for us to learn how best to share and distribute our workload with them. Please pray for the rest of our 2023 teams to build strong personal connections with the ministries and the families who are recipients of the houses we build, and that they will be faithful in sharing the Gospel of Jesus Christ wherever they go in Tijuana.**

**We are so thankful for all your continued prayers and financial support for our family in Tijuana!**
