

## GLOBAL IMPACT

### *Power Over the Enemy*

By Ly Mak, National Missionary to Cambodia

The name of the LORD is a strong tower;  
The righteous runs to it and is safe and set on high [far above evil].

Proverbs 18:10 (AMP)

We praise our God, the true and living God who never fails to protect us and give us unconditional love. There is a college student, Doeun, who lives with us at the Lifesong Learning Center. He is the only person in his family who believes in Jesus. Sadly Doeun's father recently passed away. Immediately following his father's funeral, Doeun's family began having trouble sleeping. Doeun shared with Sarin, my wife, and me that his family couldn't sleep because evil spirits were visiting his family's home every night. Doeun's grandfather is a witchdoctor and had performed a ceremony to summon ancestral spirits to protect the home. Instead evil spirits came and have been scaring the family and causing them to not be able to sleep for several nights.

When I first heard about the evil spirits, I asked Doeun if Sarin, the Lifesong Center staff, and I could come pray for protection and peace for his family. Doeun's family said they weren't ready for us to come pray yet. As time went on Doeun's grandfather continued to try to use witchcraft to get the evil spirits to leave. With exhaustion setting in due to lack of sleep and no success getting rid of them, the grandfather came to the Lifesong Center and asked if we would go to the house to pray for our God to remove the evil spirits. The only catch was that he didn't want us to go to the house before 5:00 pm. We agreed to go to the house that night and pray.

As our staff prayed in preparation for going to Doeun's family's home, severe pain began to grow in my stomach. We weren't going to stop praying because of the pain. Our team immediately began praying for protection. We felt God directing us to wait to go to Doeun's family's home.

The next day Doeun's grandfather came to the Lifesong Center and shared with us that he had invited other powerful witchdoctors to the family house before we were supposed to arrive. Together they performed rituals that

were supposed to cause us suffering and pain when we arrived. He then invited us again to come to the house and pray. This time he said we could go whenever we wanted to and he would not try to cause trouble this time. With his permission we gathered our staff and began to pray some more for Doeun's family's home, our protection, and God's guidance. While driving to the home everyone in the van felt a heavy presence of evil as we got closer to the house. We immediately began praying and said "We come in the Name of Jesus, our Lord God Almighty!" Following the prayer we began to sing a hymn called In the name of Jesus. "In the name of Jesus, we have the victory. In the name of Jesus, Satan, you have to flee. Oh, what can ever stand before us when we call on that great name! Jesus, Jesus, precious Jesus, we have the victory."

When we arrived at Doeun's home we prayed out loud over every inch of the house inside and out for several hours. When our team was getting ready to leave, I asked Doeun to stay and sleep in the family home that night and to let us know the next day how everyone slept.

Praise the Lord! Through fervent prayer and perseverance the stronghold of witchcraft and evil was broken. We had victory in Jesus' Name! "Not to us, O LORD, not to us, but to your name goes all the glory for your unfailing love and faithfulness." (Psalm 115:1, NLT). Doeun's family home has not been visited by evil spirits since we prayed. "God lifted him high and honored him far beyond anyone or anything, ever, so that all created beings in heaven and on earth—even those long ago dead and buried—will bow in worship before this Jesus Christ, and call out in praise that he is the Master of all, to the glorious honor of God the Father," (Philippians 2:9-11, MSG).

We now know that Doeun's grandfather wanted to know if our God is the true God that can protect against evil spirits and that is why he asked fellow witchdoctors to the house before we were supposed to arrive. He has witnessed with his own eyes that God indeed is the one true God. Please join us as we pray that God will work in Doeun's grandfather's heart to bring healing and release him from the bondage of slavery from the devil's schemes. We will continue to pray for Doeun's entire family to experience the love of our Lord Jesus Christ and will visit this family. Please pray for us and our staff as we continue to stand up against the enemy and spread God's Word and truth.
