## Prayer and Praise – January 14, 2026

*"You make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand." Psalm 16:11 (NIV)*

**Sierra Leone:** Field Director Milton Godwin shared, "With grateful hearts, we praise God for His mercy and faithfulness. By His special grace, healing is taking place, and I am recovering from illness. We continue to pray for full restoration—renewed strength, a healthy appetite, and the ability to eat solid food once again.

We thank God for the gift of family. I am especially grateful for my wife, Mary, who faithfully stood by my side, and for my two sons who are here with me. My son David traveled from Kono to Freetown to ensure I received proper care. Through them, God showed His loving provision.

Even in my absence, God's work continued. We rejoice in His provision for the Christmas Day feeding program. By His grace, the church raised the funds to feed and give gifts to 450 children from the church and surrounding community in 2025.

Thank you for your continued prayers and support for the work here in Sierra Leone. Please continue to pray for my complete healing and strength. Know that we are also praying for all the Open Bible ministry around the world."

**Kenya:** Field Director Charles Omina shares that they finished the year with 24 churches, for which we praise God. They are currently building the headquarters church and offices in Ndengelwa, and the goal of the National Board is to establish 100 churches over the next five years. Please pray for God's guidance, provision and strength as they work toward this goal.

**Nicaragua:** Missionaries Nelson and Tirsá Gaitán testify of the Vacation Bible School taking place this week, January 12–16 in San Marcos, Nicaragua.

"We lift our hearts in praise to God for the wonderful start of Vacation Bible School! On the first day alone, more than 100 children gathered to learn, worship, and experience the love of Christ. We rejoice in the Lord's provision and His faithfulness in reaching young hearts with His Word. We thank God for every brother and sister who faithfully supports the mission in Nicaragua. Your prayers and generosity make it possible for children to grow in faith and encounter God's love in meaningful ways."

Let us continue to pray together for the children, that their hearts would be open to God's Word and His love; for the teachers and volunteers, that God would grant them wisdom, strength, and protection as they serve; and for the ongoing ministry in San Marcos, that God would use it to impact families and the community for His glory.

Praise God for His work among the children, and may He continue to bless and strengthen every hand that serves in this mission.

**MOVE–Cambodia:** Next Monday, January 19th, National Director of MOVE, Aaron Keller, will be leading a team of over 40 men to the Lifesong Learning Center in Tamada Village, Cambodia. This project will construct new classrooms to expand the school, replacing its open-air structure with a secure facility. The expansion will enable our National Missionaries, Ly and Sarin Mak, to add more classes, reaching children from surrounding villages and sharing the Gospel of Christ with both the children and their families. Please pray for a safe and productive trip for the entire MOVE team.

#### ***Global Harvest Offering 2026:***

*The 2026 Global Harvest Offering, titled “Building Hope in Africa,” invites us to join in a powerful revival sweeping across the continent. Through this initiative, we will collaborate with our missionaries and national directors to fund thirteen new church building projects in thirteen different countries. God is working through dedicated missionaries and local leaders to multiply churches, develop leaders, and bring the life-changing hope found only in Jesus to communities in need.*

*Our goal is clear: raise \$200,000 to fully support all thirteen projects.*

*Your generous support does more than construct buildings—it builds hope, strengthens communities, and advances the Kingdom of God.*

*We deeply appreciate your partnership in this mission to bring hope to Africa. If you would like to take part in this awesome opportunity today, please visit*
