

Guinea: Missionaries Tom and Sherry Moore ask for prayer as they have been having mechanical issues with their vehicle again. They were scheduled to visit the church plant in Madina Borboffe yesterday morning. As they drove off, not even ten minutes into the drive, the vehicle left them and two young people that were accompanying them stranded. Praise God because when this happened a taxi passed by, the driver agreed to take them all to their destination arriving only five minutes late. Nothing is impossible for God!

Sierra Leone: Field Director Milton Godwin praises God for the success of the Congo Town Open Bible Standard School Family Picnic held at the town's amusement park on February 15. The event was attended by most parents and guardians. During this time, Sister Mary Godwin, who is the school principal, was able to speak and share about the love of Christ. Many people gave their lives to Christ by saying the sinner's prayer. The brief service was followed by outdoor activities for the children and families had the opportunity to interact with each other and make new friends.

Tijuana, Mexico: Missionary Michaela Morgran shared that her grandfather passed away last week. She and her baby Hadassah will travel this weekend to attend Saturday's memorial service. Please pray for Michaela and her family during this difficult time.

Liberia: Missionaries Drew and Jessica Welch praise the Lord for the continuing work happening at the Legacy Campus. There are two young men, Le and Tanishu, who work diligently to maintain the campus looking nice. They are so thankful for them and for everyone that participates with their hard work and dedication. Please pray for the projects that are being done at this time, for everyone's safety and blessings.
