

## Prayer and Praise – March 11, 2026

*“Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven.” Matthew 18:19 (NKJV)*

**Paraguay:** Field Director Julian Paredes gives glory to God and expresses heartfelt gratitude to the entire body of Christ from the Open Bible Churches who have been praying on behalf of our brother Ecurra.

“We are witnessing a powerful miracle from God in his life. The cancer in his chest had caused swelling that had reached almost to his chin, but now the swelling has nearly gone down completely. He continues with his tests and treatments, and we believe that God is bringing complete healing from this cancer.”

**United States:** Missionaries Michael and Pam Lombard express their heartfelt thanks for your prayers for their son, Jordan, as he has been battling cancer. The surgeon successfully removed a very large tumor from his neck. With the addition of radiation treatments in the coming weeks, doctors believe the cancer cells in his neck will be eliminated.

Please continue to pray for Jordan and his family as he begins what will be a lengthy recovery process. May the Lord grant him strength, healing, and peace during this time.

**Tijuana, Mexico:** Missionaries Michaela and Justus Morgan and Zach Anderson recently had the privilege of hosting Movement of Open Bible Churches, with young adults serving from Iowa, Michigan, Montana, New York, Florida, and Ohio. Despite facing heavy rain on the first day of construction, the team faithfully pressed on and completed building a house in just three days!

During their time in Tijuana, they also ministered to the homeless downtown, served the children at a casa hogar (orphanage), and participated in a local church’s Sunday service.

They are incredibly grateful for all that was accomplished for the Kingdom of God during the six days the team was there. It was a powerful time of service, compassion, and ministry, and praise the Lord for the impact made in so many lives.

**Uganda:** Field Director Obbo John Bosco shares that there is a new church in the eastern district of Bukedea called Amagoro Open Bible Church. The members of this church have purchased a piece of land and constructed a building on this property. Also, there is a new church plant in the mountains of Elgon called Alalam in the Bukwo district.

Please pray for these two new church plants and their pastors.

**Nicaragua:** Missionaries Nelson and Tirsa Gaitan would like to thank you from the bottom of their hearts for the financial support you have sent to them through Global Missions. Your support has helped make it possible for them to continue their work in Nicaragua, where there are currently five churches.

They would like to quote a biblical passage that has greatly blessed them, *Philippians 4:10*, and paraphrase it: Paul thanks the Philippians for the support they gave to his ministry, and he rejoices and thanks the Lord for their generosity.

In the same way, they feel deeply grateful as they receive your love, your prayers, and your financial support. May God continue to bless you and multiply every seed that has been sown, and may your harvest be multiplied a hundredfold.

**Global Missions:** Please pray for the Global Missions Board as they travel to Trinidad to speak at different churches this weekend. The Trinidad Convention will be taking place, and many guests from different countries will be attending. On Monday, the Global Missions Board will also hold their board meeting there.

Please pray for safe travels for everyone attending this special event, for a weekend full of blessings, and that God will be in the midst of all the meetings and services taking place. May the Lord guide every conversation and decision made during this time.

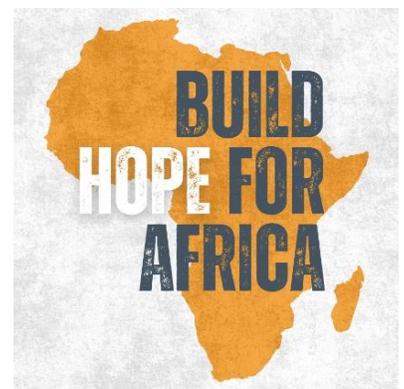

**Note:** Due to the Global Missions Board meeting, there will be no **Prayer and Praise** sent out next Wednesday, March 18.

The **2026 Global Harvest Offering**, titled **“Build Hope for Africa,”** invites us to join in a powerful revival sweeping across the continent. Through this initiative, we will collaborate with our missionaries and national directors to fund thirteen new church building projects in thirteen different countries. God is working through dedicated missionaries and local leaders to multiply churches, develop leaders, and bring the life-changing hope found only in Jesus to communities in need.

Our goal is clear: raise \$200,000 to fully support all thirteen projects.

Your generous support does more than construct buildings—it builds hope, strengthens communities, and advances the Kingdom of God.

We deeply appreciate your partnership in this mission to bring hope to Africa. If you would like to take part in this awesome opportunity today, please visit [OpenBible.org/Africa2026](https://OpenBible.org/Africa2026) to donate online or by mailing a check payable to Open Bible Churches and write “Hope for Africa” in the memo line to our address below.

Please share with your congregation or with other interested individuals. Thank you for praying and caring.
