

GLOBAL MISSIONS  
of Open Bible Churches

## Prayer and Praise – May 15, 2024

*"The LORD is my light and my salvation; whom shall I fear? the LORD is the strength of my life; of whom shall I be afraid?" Psalm 27:1 (KJV)*

**Ghana:** Pray for the family of brother Dua Prempeh who went to be with the Lord on May 10, 2024. Brother Dua was one of the founding members of Open Bible Church in Ghana. He was also a pillar of the church together with Rev. Twum Antwi who is also with our Lord. Please keep the family and the church in prayer for God to grant them the peace, grace and comfort during this difficult time.

**Cuba:** Pray for Mission Esperanza and its board members. They are in Cuba this week doing

leadership conference until Thursday.

The leadership training conferences began yesterday morning in Cifuentes, a more remote area of the island. This is a blessing as Cuba is in desperate need of leadership training and resources. Nearly 250 pastors and

leaders will be in attendance. Yesterday during service, there was an altar call and almost the entire congregation present at the leadership service came to the altar to pray. Praise God for these open-minded and open-hearted leaders who are preparing for stronger leadership. Please pray for safe and peaceful travels for all who traveled by air or land.

**Sierra Leone:** Field Director Milton Godwin shared: "Last Sunday the church celebrated Mother's Day to honor all mothers in the church. Kainde Baird, who will turn 80 at the end of May, was crowned mother of the year. Please continue to pray for all mothers and praise God for them."

**“Train up a child in the way he should go: and when he is old, he will not depart from it.”**

**Proverbs 22:6 (KJV)**

**Liberia:** Missionaries Drew and Jessica Welch share the joy of having Ian, oldest of their children, graduate high school. This is a great satisfaction because not only is he achieving goals in the field of the Lord but in his personal life. We congratulate Ian for the wonderful joy of this great accomplishment.

“Our Open Bible Academy is doing great, and the students are loving their school and are enjoying themselves as they are proud of their physical education uniforms.

“When the students first come to us here at the Legacy Learning Center, their problem-solving skills are extremely limited. During their free play time they are taught how to put together puzzles. We have found that giving them time to explore, imagine and problem solve greatly improves their cognitive ability to read and write. We rejoice as God continues to work in the lives of these children.”
