*“Those who trust in the LORD are like Mount Zion, which cannot be moved, but abides forever.” Psalms 125:1 (NKJV)*

**India:** Missionary Linda Wilson shares, “The heat in India has become almost unbearable. Temperatures have surpassed 100 and most days reach 114. The families we work with live on the streets, water is often not easy to get, and they do not have air conditioning. In Coimbatore it is 95-100 and now rains have started. June and July are very difficult for the poor in India. Pray for India so that people will survive this heat and the rain seasons.”

**Trinidad:** Missionaries Mike and Pam Lumbard praise God for the ministry there in Trinidad. The team from Harvest Christian Fellowship in Cambridge, Ohio led by pastor Barry Ross. Pastor Barry was in Tijuana, Mexico with the Lumbards a year ago and is now with them in Trinidad ministering this entire week. The team has spent two days at a Spanish school with primarily Venezuelan children who are unable to attend the public schools. Please keep the team and missionaries in your prayer that God will use them mightily to reach more lives for His glory.

**West Africa:** Missionary Andy\* shared: "Praise God for a good INSTE training last week in Kenya with fifteen leaders/pastors. They are very motivated to make disciples in their local churches.
