

OPEN BIBLE CHURCHES  
GLOBAL MISSIONS

**Prayer and Praise – August 20, 2025**  
***“In the same way, faith by itself, if it is not accompanied by action, is dead.” James 2:17 (NIV)***

**Thailand:** Missionaries Mike and Dara Rasavanh share, "We have been welcomed by many churches that have opened their doors to us, allowing us to share the work of God in Thailand and across Southeast Asia. We have been greatly encouraged by the love, prayers, and partnership of the Body of Christ.

"We ask for prayers for peace between Thailand and Cambodia, as tensions have not fully settled. We also ask for God's divine intervention to break down spiritual strongholds and open hearts to the Gospel. Please pray for the new church plants in Vietnam and Laos, for protection, growth, and favor. Pray that the Lord will pave the way for us to visit them this Fall and next year. Lastly, we ask for prayers for safe travel and God's favor as we depart for Thailand on Monday, August 25. Pray for strength, provision, and fruitful ministry upon our arrival."

**Guinea:** Missionaries Tom and Sherry Moore are asking for prayers for the Kamsar church and school. Due to heavy rains, the entire compound is flooded. They have managed to obtain a rock and dirt mixture from the bauxite mining company, which is replacing their railroad tracks with new rocks. The entire church and school yard needs to be covered with this mixture to help absorb the water. So far, they have received seven loads of dirt, but they require a total of twenty truckloads of rock and dirt to prepare the yard for the reopening of school. Please pray for God's favor with the company and provision of the necessary finances to complete this work before school resumes. If the work is not completed, parents may not send their children to school, causing hardship for the staff and the church. Every time it rains, water fills the porch of Pastor Jean and Celine's house. They are seeking a miracle in this situation. Thank you for your prayers!

**Uganda:** Field Director Rev. Obbo John Bosco shared with us that the Otabong Open Bible Church in the Busia district recently suffered major damage due to heavy rainfall and storms. The strong winds tore the roof off the church building. Please pray that the Lord will provide funds to repair the Otabong Open Bible Church.

**Trinidad:** Jordan Lumbard, son of Missionaries Mike and Pam Lumbard, is continuing to receive treatments and everything seems to be healing well. Jordan and his wife, Lindsey, are seeking God's wisdom and direction for the best next step. Jordan is still experiencing side effects such as extreme exhaustion, severe shoulder pain, and a persistent cough that keeps him up at night. Please continue to pray for wisdom, peace, successful treatment, and Jordan's ongoing healing in the days ahead.
