

Prayer and Praise – September 11, 2024

“Being confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ.” Philippians 1:6 (KJV)

Papua New Guinea: Today Executive Director Vince McCarty and former missionary Mark Brandt leave for PNG to attend the 50th anniversary celebration at the National Convention of Open Bible Churches in Papua New Guinea that begins next week. Please pray for safe travel and the Lord’s anointing in all services and activities.

Nicaragua: Missionaries Nelson and Tirsia Gaitan share “We want to testify about our 18 students that are first and second level INSTE. God has given us a beautiful crop of young people who are committed to serving God and have begun their studies at an early age. The youngest of them is ten years old and is showing amazing spiritual growth. We give glory to God for the desire He has placed in them. Last Wednesday a meeting was held where everyone gathered for a time of spiritual refreshing. Thank God for Brother Jairo Flores who is the mentor to both groups.”

Please continue to pray for the speedy recovery of missionary Nelson's knee as he still has trouble walking.

Paraguay: Field Director Julián Paredes asks: “Please pray that micro-traffickers in the neighborhoods decrease since drugs are causing so much harm to young people and that our authorities act with justice. Pray that a great spiritual revival comes to our Nation!”

Please pray for rain as one of the largest forest fires is currently happening in Bolivia and Paraguay.

Uganda: Field Director John Bosco gives glory to God for Pastor Nicolm Mahabir (Nick). Pastor Nick visited different districts of Uganda. He ministered in Amagoro Open Bible Standard Church in Bukedea District, where he led new converts to their confessional prayer. Then on Monday, September 9, he taught in Merok-Agule Open Bible Standard Church in Soroti district. The church members received him with great enthusiasm. Please continue to pray for the expansion of the churches here in Uganda.”

Liberia: Field Director Rev. Hilary Paul is grateful for the peace and stability of the Open Bible work in Liberia after assuming the role of president of Open Bible Standard Churches there. He thanks the Lord for the new self-help project of MOVE in Liberia which is starting a cassava (yam) farm to help produce funds for the MOVE department and other projects. Rev. Paul is also very grateful for the six new churches that were started after missionary Rich Kopp and his team introduced the Church Planting Academy program there several months ago.
