Greetings from the land of Cambodia. We are praying that all of you are well in the Lord.

" And whoever welcomes one such child in my name welcomes me."

Matthew 18:5 (NIV)

We are very grateful for the opportunity God called us back to Cambodia. There are so many things that God has put on our hearts to serve the people of Cambodia and especially in the rural areas. There are so many poor people who also need to hear the good news of Jesus Christ. People are looking for a real God who can fill their empty hearts and give them hope for their future.

Praise be to God because we are now up to a total of 112 children that include all our preschool, first and second graders in our day classes. In the afternoon we have now a total of eight English classes with an approximate total of 160 children and teenagers together.

On Sundays we have two different church services The children's service is done in the morning and the adult's service in the evening.

One of the most and greatest joys is when people come to Christ and take the step of faith to be baptized in water. On Sunday, April 28, we had water baptisms for 21 teenagers and adults who committed and dedicated their lives to following Jesus Christ.

One of the new members was baptized had suffered a small stroke and could not walk to the baptismal steps, but this did not prevent him from being baptized. Baptism came to him, just where he was.

Please pray for the new believers, that their young faith may be strengthened in the Lord.

Thank you for your endless prayer and love for the people of Cambodia.

In the Great God we serve,
