GLOBAL IMPACT

Impacting One Child at a Time

*By LyHoung and Sarin Mak,
Missionaries to Cambodia*

“All your children will be taught by the Lord, and great will be their peace.”
Isaiah 54:13

Since having moved back to Cambodia in 2011 to follow the calling God placed in our hearts, our hearts are drawn toward the very poor children who live far away from the city that need a better school system. God helped us obtain the school license in 2022, just as He promised He would. He has provided and many children are enrolled. We are always praising God for His love and protection from all harm and evil.

As time passes, the Lifesong Learning Center in Tamada Village, Cambodia, gets busier. We provide school classes and many activities for the children that God has blessed us with. The children come to learn and spend time with the staff, who give them love that they do not find anywhere, not even at home.

When the doors to the Center open at 6:00 a.m. there are children already waiting outside to get in. The afternoon classes start at 1:00 p.m. Many afternoon class children come at 11:00 a.m. to play because no one is home to take care of them. Most of them do not eat at home and we feed them. Some children are neglected by their parents. Some come to school with their heads full of lice and we wash and clean out their hair to get rid of the lice.

Our special conference for missionaries and field directors already took place in Frisco, Texas. We still need a little more help to cover the expense of bringing our field directors from all over the world to this special event. To find out more about the conference and learn how you can participate in a special offering to help cover the expenses of this event, please visit: <https://www.openbible.org/Rejuvenate23>.

(Continued from front)

We praise God because we now offer seven English classes and have 130 students. We continue to provide computer and sewing classes and some other ministries. Once a week we take an evening to minister God’s Word to all the children.

Please continue to pray for Lifesong Learning Center and all the children, that they will acknowledge God’s love

and that souls will be saved. Pray for short- or long-term volunteers to teach English.

We thank you for your continued prayers and offerings. This helps us to continue educating, feeding, and sharing the Word with our children. You make it possible by being part of this ministry!
