

Merry Christmas & Happy New Year!

From Justus and Michaela Morgan in Tijuana, Mexico.

We couldn't be here doing this ministry without your prayers and financial support. We are exceedingly grateful. May the Lord bless you and your family this Christmas and the New Year 2024!

The past few months were quite eventful and left us feeling blessed beyond words. In September we drove from Tijuana to Anaheim for the Movement United Summit, a young adult conference, where hundreds of young men and women were encouraged, empowered, and equipped in their faith.

Immediately after that, we drove over 2,000 miles (*I know! Right?*) to the Eastern Region to visit the churches there and raise more support. Our hearts burst with gratitude for the countless men and women of faith we had the opportunity to meet and who are making gigantic impacts for the Kingdom of God in their communities and around the world! Thank you to all the pastors and church members who loved and cared for us

during our travels. Blessed doesn't even begin to describe it!

Finally, we completed the final construction of our 2023 home! In early December, the Missouri- Minnesota Evangelical Fellowship team flew in to help us build a house for Nidia and her three children. Even after her husband abandoned their family three years ago, Nidia has worked faithfully at a local feeding kitchen for many years. She trusted the Lord to provide for her family like when He told her to continue volunteering at the feeding kitchen instead of leaving to find a regular job. The Lord has continually provided for their needs, and He has now provided her family with a house! With all this said, this building meant a lot to us as Nidia and her children have become very dear to our hearts! We give God all the GLORY!

“Consider the ravens, for they neither sow nor reap, which have neither storehouse nor barn; and God feeds them. Of how much more value are you than the birds?”

Luke 12:24 (NKJV)
