## GLOBAL IMPACT

### How God Continues to MOVE

By MOVE Director Aaron Keller

*"And don't forget to do good and to share with those in need. These are the sacrifices that please God."  
Hebrews 13:16 (NLT)*

MOVE Ministries is gearing up for its 50th project! MOVE is a men's ministry that has been building globally since 1981. From October 19-26, 2024, we will head to Tijuana, Mexico to expand the feeding kitchen we built in 2021. In just three years, they have outgrown space serving over 100 children a day. This is an amazing ministry that also discipled children through a program called Icthus. We applaud Pastor Abelino and his wife Mireya for their humility and dedication to the Lord.

We ask that you pray for our next project in January 2025. We are building a church in La Concepcion, Nicaragua. This would be our fourth project working with missionaries Nelson and Tirsia Gaitan. The Nicaraguan government is currently confiscating church properties, complicating this project. Pray for Nelson and Tirsia as they look to obtain documentation that protects the church property from government seizure.

Having a MOVE project requires almost a year of planning. The primary emphasis of any project is ministry to our men. As much as we are a construction team, it is a men's ministry first. No construction skills are required to join us. What men often find is a brotherhood that continues long after a project.

(Continued on back)

Our Global Harvest offering for 2024, is to help Acropolis Medical Centre in Trinidad. Please partner with us to help purchase special medical equipment. This will help save lives physically and spiritually. To find out more and learn how you can participate in this special offering, go to: [www.openbible.org/LetYourLightShine](http://www.openbible.org/LetYourLightShine).

**(Continued from front)**

We have just finished our project in Thailand with a team of 63 people. Something important began to happen immediately after the trip. Some of our men have started a text group and are attending a men’s devotional together. Daily they will share their perspective and what God is speaking to them. MOVE’s long-standing goal is to see men challenged through short-term missions and return to their churches with a focus on Kingdom impact.

MOVE not only builds men but it also builds churches. As we continue to see our scope expand, we will move to two projects a year, which is a big undertaking. We believe in partnering with established global ministries, who need their own building to promote impact in their communities.

Please consider partnering with MOVE as we raise money for building materials for Tijuana and Nicaragua.

To donate, please visit our webpage: <https://www.moveministries.org/give>.

To donate by check, mail to:  
Open Bible Churches-Global Missions,  
2020 Bell Ave, Des Moines, IA 50315
