GLOBAL IMPACT

LITTLE PIECE OF HEAVEN ON EARTH

*By Missionaries to Trinidad,
Mike and Pam Lumbard*

“A great multitude that no one could count, from **every nation, tribe, people and language**, standing before the throne . . .” *Revelation 7:9 NIV*

This verse shows that God loves culture! John didn't just describe the scene as a great multitude around the throne. He went on to break down the multitude as filled with every nation, tribe, people, and language! Therefore, even in heaven God recognizes and values culture. It is easy to quote that “God so loved the World,” but this verse in Revelation demonstrates that God will accomplish His goal and His love will reach the world.

The heart of God is seen more clearly as we value what He values. Ministry that embraces people from every nation, tribe, people group, and language begin to demonstrate God's love.

We have been missionaries to the country of Trinidad and Tobago since 2010, and it has been our desire and dream to take people from more than one country on mission trips together. Our goal has been to have more than one nation coming together to take Jesus to the world and demonstrating God's love for all cultures.

March 2023 was the realization of this dream as people from Trinidad and Tobago joined people from the States and believers in Mexico to minister God's love to people in Tijuana, Mexico. The logistics for this to happen and the obstacles to overcome were huge. But God continually demonstrated that He oversees our plans.

Our 2023 Rejuvenate special conference for missionaries and field directors took place in Frisco, Texas. 2023 Global Harvest Offering is still short on funding and is accepting donations to help cover the expenses of bringing our field directors from all over the world to this special event. To find out more and learn how you can participate in this special offering, go to: <https://www.openbible.org/Rejuvenate23>.

God enabled this diverse group to work in harmony from the first day. The team ministered effectively and experienced daily divine appointments. In ten days, 42 people prayed to become followers of Jesus. One man, who had been raised in the States, had been a gifted student with a full ride scholarship before his life fell apart. The day we met him on the streets, he was searching for answers and saw no way for his life to turn around. Our team showed him hope in Jesus. As our team headed home, the 43rd person accepted Jesus on a plane somewhere over Mexico as one of our team members prayed with the man seated next to him.

We are praising God that His great love still brings breakthrough in people's lives.
