

Greetings from the Hunsaker Family!

Hebrews 2: 1-4

¹We must pay the most careful attention, therefore, to what we have heard, so that we do not drift away. ²For since the message spoken through angels was binding, and every violation and disobedience received its just punishment, ³how shall we escape if we ignore so great a salvation? This salvation, which was first announced by the Lord, was confirmed to us by those who heard him. ⁴God also testified to it by signs, wonders and various miracles, and by gifts of the Holy Spirit distributed according to his will.

I'm not sure how it happens, but it happens to all of us at some point. At some point, even for a moment, we forget the amazing miracles we have seen and heard in our lives and our walk with Christ. Why do we as humans often need a reminder of who the Lord is and how great His might is? Sometimes the monotony or drudgery of life gets us down and we need to remember who the Lord is and what He has done. We cannot listen to the enemy, because truly the Lord is at work in each and every one of our lives daily providing what we need, making a way where there is none, and continually laying a firm path for believers to walk on. All we need to remember is to recognize these contributions to our lives and give the Lord, not ourselves, all the Glory for that everyday miracle that happened once again.

To date in 2024 we have received nine teams in Puente de Amistad. Our last team, from Galesburg, Illinois, Radiant Worship Center, pastored by Pastor Mark Dexter, built a house for a family in need. Of course, every house we build is for a family in need. Last week, I was reminded once again that even though the week progressed like old hat for me, this was a miracle for that family. They had prayed for this house! And then, just two weeks after receiving the home, the father lost his job because the company he worked for went bankrupt. The team took up a collection on the last day and was able to give the family almost two weeks' salary. What an amazing miracle to witness in the life of this family!

All of this was just an excellent reminder to find the Lord and what He is doing every day in our lives. Sometimes as followers of Christ we provide physical help, but I have also discovered in my own life that the gift of hope is just as important, if not more so.

Psalm 25:3

“No one who puts their hope in you will ever be put to shame...”

Once again, we want to thank you for the love and support towards our family! Without your collaboration with us, we would not have the financial means to continue working in Tijuana. We know that many people are currently in difficult financial situations and yet continue to give to see the work of the kingdom completed. From us to you, our sincere thanks for everything you have done for us! May the Lord multiply everything you have and bless you and your churches abundantly!
