GLOBAL MISSIONS

GLOBAL IMPACT

Missionaries Mike and Dara Rasavanh share they are grateful to see steady growth in attendance, especially among new believers and seekers. Some of them are actively engaged in discipleship, and there is a growing hunger for the Word of God. They continue investing in developing local leaders through training, mentoring, and practical ministry opportunities. Raising strong, emotionally healthy, and effective leaders, remains central to their mission, as they believe lasting church growth begins with equipped and transformed leadership.

They praise God that the Village Kids program and community outreach are opening doors to families in Lamkrajao Village. Through teaching basic English and maintaining a consistent presence, we are building trust that is leading to meaningful spiritual conversations. They also are encouraged to see Village

Kids children beginning to attend Sunday School as families grow more connected to the church. The new classroom extension, expected to be completed around June, will allow them to launch after-school programs in English, computer skills, and music to further disciple and serve the next generation.

The construction of the Taidam Coffee House is now approximately 40% complete. This marketplace initiative will serve as a strategic connection point with villagers, integrating faith, community development, and economic empowerment. They are trusting God to establish long-term sustainability that strengthens both ministry impact and local empowerment. At the same time, they sense the Lord expanding their influence beyond Thailand as He opens doors in Vietnam and Laos for reconciliation, repentance, and revival.

GLOBAL HARVEST OFFERING

The 2026 Global Harvest Offering, titled "Build Hope for Africa," invites us to join in a powerful revival sweeping across the continent. Through this initiative, we will collaborate with our missionaries and national directors to fund thirteen new church building projects in thirteen different countries. God is working through dedicated missionaries and local leaders to multiply churches, develop leaders, and bring the life-changing hope found only in Jesus to communities in need.

Our goal is clear: raise \$200,000 to fully support all thirteen projects.

Your generous support does more than construct buildings—it builds hope, strengthens communities, and advances the Kingdom of God.

We deeply appreciate your partnership in this mission to bring hope to Africa. If you would like to take part in this awesome opportunity today, please visit OpenBible.org/Africa2026 to donate online or by mailing a check payable to Open Bible Churches and write "Hope for Africa" in the memo line to our address below.
